

So what have the Lib Dems ever done for Burgess Hill?

Lib Dems were in control in Burgess Hill for a generation. In that time we worked hard to make it a better place to live. The overwhelming majority in our town liked what we achieved.

Safe controlled crossings across the town and community:

Community Facilities:

- Cyprus Hall, purchased and refurbished and formation of the Community Association. *
- Triangle Leisure Centre *
- Marle Place Park - saved from development *
- New toilets in St Johns Park, the only new toilets in the District! *
- Skateboard Park, St Johns Park *
- Award winning 'HelpPoint' and a model now used across the country. *
- Play Areas - too many to show
- Burgess Hill in Bloom
- Town Twinning Association

Conservation:

- Green Crescent, now the Green Circle
- Batchelors Farm
- West Park Nature Reserve
- Burgess Hill Burial Ground

Road Network:

- Jane Murray Way, distributor road
- Improved Bus Stops, disability access - too many to show.
- Dropped kerbs, fit for purpose and campaigned for by Lib Dems, young families and disability access groups - too many to show.

LIB DEM ACTION NOT JUST WORDS

A fuller list of what the Liberal Democrats have achieved for

Burgess Hill can be found on our website:

burgesshill.mycouncillor.org.uk

We have still more to achieve, working with our residents and not against them.
