**Sue has made an enormous difference, but
still has work to do in Franklands Ward.**

Two major road safety projects to be completed this year:

- Our children and grandchildren need safer walking routes to school. A 20 mph school zone on Kingsway with crossing and 20 mph zone at the top of Folders Lane and along Keymer Road covering all three schools in the ward.
- A new Traffic Regulation Order for traffic around The Burgess Hill School and part of Oak Hall Park to ensure clear views for drivers and pedestrians.

Keymer Road at the Junction of
Oak Hall Park.

Now due for improved T.R.O.
to help road safety after years
of campaigning by Sue and
residents.

Fighting for the future of our children:

- Oakmeeds Community College is in need of a long awaited refurbishment/rebuild. I am working hard at the County Council to make sure the project stays at the top of the list to secure the necessary funding to make it happen with the backing of the Cabinet Member for Finance.

Sue Knight

**Michael Brown, Cabinet Member for
Finance and Resources WSCC.:**

Capital Expenditure over the coming years will be very tight.

However, I must make a point to Sue Knight, Oakmeeds has not been overlooked or forgotten.

Budget Meeting, 15th February 2013.

Sue say's, "it's about working with people to get results."

3 Reasons to vote Lib Dem on 2nd May

Less wasted money

- 1 A Liberal Democrat Council will cut waste - by smarter joint working with other councils, and forming partnerships with Sussex police, the local NHS and voluntary groups.

2 Local spending under local control

Make sure developer money is spent in the community where development takes place.

3 Local safety

Liberal Democrats will ensure children, young and vulnerable people are safeguarded.

Liberal Democrats will invest in the county's roads and pavements, helping to reduce injuries to pedestrians and damage to vehicles.

You can cut this slip off and take it with you if it helps
