**Sue has made an enormous difference, but
still has work to do in St Andrews Ward.**

Major road safety projects, some examples below, please visit my website for the full list:

- Our children and grandchildren need safer walking routes to school. Two 'soon to be installed' new road crossings in Junction Road and enforced traffic management around Manor Field School.
- I'm currently seeking an extension to the 30 Mph speed limit on Valebridge Road to make the road safer for residents, pedestrians and cyclists.
- Cants Lane road safety is soon to benefit from new Traffic regulations

Fighting for the future of our children:

- Oakmeeds Community College is in need of a long awaited refurbishment/rebuild. I am working hard at the County Council to make sure the project stays at the top of the list to secure the necessary funding to make it happen with the backing of the Cabinet Member for Finance.

Sue Knight

**Michael Brown, Cabinet Member for
Finance and Resources WSCC.:**

Capital Expenditure over the coming years will be very tight.

However, I must make a point to Sue Knight, Oakmeeds has not been overlooked or forgotten.

Budget Meeting, 15th February 2013.

Sue has
congratulated
staff and pupils
for their really
good OFSTED
report.

Sue said: "the
children and all
the staff have
worked hard to
achieve this.
Everyone had a
part to play and

the community has
been supportive of
all the efforts as
well. This is really a
fantastic result.

**Well done
everyone!"**

Results from the
last
County Council
Elections in 2009

Last time it
was a close
run election
between the
Tories and
Lib Dems.
Labour were
in a poor,
third place
and the other
parties didn't
even bother
to stand. **No
wonder
Labour
voters back
the Lib
Dems
locally.**

Sue say's, "it's about working with people to get results."

No one works harder

in St Andrews Ward

3 Reasons to vote Lib Dem on 2nd May

Less wasted money

- 1 A Liberal Democrat Council will cut waste - by smarter joint working with other councils, and forming partnerships with Sussex police, the local NHS and voluntary groups.

2 Local spending under local control

Make sure developer money is spent in the community where development takes place.

3 Local safety

Liberal Democrats will ensure children, young and vulnerable people are safeguarded.

Liberal Democrats will invest in the county's roads and pavements, helping to reduce injuries to pedestrians and damage to vehicles.

You can cut this slip off and take it with you if it helps

On 2nd May it is a clear choice between a '3 job Conservative' and hard working Sue Knight for your full time County Councillor. Make your voice and vote count!

On Thursday May 2nd, vote... '4'

	Your Polling Station is:	
	St Andrews Rider Hall, Cants Lane, Burgess Hill, RH15 0LG	
	Open from 7am to 10pm	
4	KNIGHT Sue 	X
	Taking your polling card helps, but if you can't find it you can still vote!	

No one works harder for you!
