

## Two major road safety projects to be completed this year:

- Our children and grandchildren need safer walking routes to school. A 20 mph school zone on Kingsway with crossing and 20 mph zone at the top of Folders Lane and along Keymer Road covering all three schools in the ward.
- A new Traffic Regulation Order for traffic around The Burgess Hill School and part of Oak Hall Park to ensure clear views for drivers and pedestrians.

## Fighting for the future of our children:

- Oakmeeds Community College is in need of a long awaited refurbishment/rebuild. I am working hard at the County Council to make sure the project stays at the top of the list to secure the necessary funding to make it happen with the backing of the Cabinet Member for Finance.

Capital Expenditure over  
the coming years will be

point to Sue Knight,  
Oakmeeds has not been  
overlooked or forgotten.

Local mum Sara finds  
the crossing a real  
boost and the twins are  
quite impressed as well!

Sue fought

crossing at  
Hammonds  
Ridge  
installed to  
make a  
safer route  
for children  
to walk to  
school.

## **3 Reasons to vote Lib Dem on 2<sup>nd</sup> May**

### **1 Less wasted money**

A Liberal Democrat Council will cut waste - by smarter joint working with other councils, and forming partnerships with Sussex police, the local NHS and voluntary groups.

### **2 Local spending under local control**

Make sure developer money is spent in the community where development takes place.

### **3 Local safety**

Liberal Democrats will ensure vulnerable people are safeguarded.

Liberal Democrats will invest in the county's roads and pavements, helping to reduce injuries to pedestrians and damage to vehicles.
